

LOMA LINDA ACADEMY

Eternal principles . . . intelligent choices

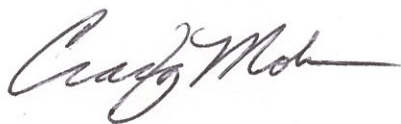

Dear Supporter,

We are excited to announce that Loma Linda Academy Wind Symphony and Big Band are presenting a benefit concert on March 15, 2020. The theme of the concert is, "And the Oscar Goes To...", featuring songs and scores from movies honored with Academy Awards. This will be a very exciting concert and we expect that a large audience turnout from our local community.

We would like to partner with you to raise funds for the bands and to promote your business. We will hold a gift basket raffle and we need goodies for our baskets! If you are willing, we are asking business to donate \$50 value of services or goods. We will create an attractive basket with a display that highlights your business. Kindly donate the items by February 28, 2020. To show appreciation for your support, your business name will be printed in the program.

The proceeds from this year's concert will benefit student expenses for their upcoming Spring tour to Florida. Thank you for supporting our Wind Symphony and Big Band!

Sincerely and God bless,

Craig Mohr, Director of Bands
and the LLA Band Booster members
